Subject: Tree donation from NSTAR
Attachments: NSTAR donation 2013.doc

Attached please find a letter from Christopher Fallon, Senior Arborist at NSTAR, donating a very nice Blue Spruce to take the place of the lost White fir as the Town seasonal tree. The tree was planted today at the intersection of Main Street and Woodbury Lane, in the same location as the original tree.

I estimate the value of the tree (furnished and installed) at around \$1,200.

This donation speaks to the very positive relationship between the Town and NSTAR that has developed over the past few years.

Could this donation be placed on the agenda for the next Selectmen meeting ?

Regards,

Dean A. Charter, MCA, MCPPO

Mr. Dean Charter
Town of Acton
Municipal Properties Dept.
472 Main St.
Acton, MA 01720

Dear Mr. Charter,

It is NSTARS' great pleasure to provide Acton the tree planting of a specimen blue spruce; *picea pungens glauca*. This tree was planted in an area where a grand white fir was lost due to storm damage on the Town Hall property. I hope it provides a suitable location to hang some holiday lights as it gets larger every year.

This is also in appreciation of our positive professional relationship regarding tree maintenance, safety, and electric reliability.

Thank you

Chris Fallon
Senior Arborist.
